

Ultrasound Solutions

Live Online Level One Ultrasound Training Schedule

MODULE	TITLE	DATE (MM/DD/YYYY)	TIME (ET GMT+5)
Module 01	Intro to Level 1 and Principles of Ultrasound (Part 1)	01/16/2024	10:00 – 12:30
Module 02	Principles of Ultrasound (Part 2) & Basic Equipment Knowledge	01/18/2024	10:00 – 12:30
Module 03	FIT and the Eight Application Pillars	01/23/2024	10:00 – 12:30
Module 04	The Inspector's Philosophy and Condition Monitoring	01/25/2024	10:00 – 12:30
Module 05	Data Storage Management and Condition Indicators	01/30/2024	10:00 – 12:30
Module 06	Basic Instrument Function for Inspect & Detect	02/01/2024	10:00 – 12:30
Module 07	Application Pillar 1; Leaks (Part 1)	02/06/2024	10:00 – 12:30
Module 08	Application Pillar 1; Leaks (Part 2)	02/08/2024	10:00 – 12:30
Module 09	Application Pillar 2 & 3 Steam Systems and Valves	02/13/2024	10:00 – 12:30
Module 10	Application Pillar 4 & 5 Hydraulics and Tightness Testing	02/15/2024	10:00 – 12:30
Module 11	Pillar 6; Electrical	02/20/2024	10:00 – 12:30
Module 12	Analyst's Philosophy Measure/Trend/Analyze/Act	02/22/2024	10:00 – 12:30
Module 13	Pillar 7; Mechanical (Part 1)	02/27/2024	10:00 – 12:30
Module 14	Pillar 7; Mechanical (Part 2)	02/29/2024	10:00 – 12:30
Module 15	Pillar 8; Lubrication (Part 1)	03/05/2024	10:00 – 12:30
Module 16	Pillar 8; Lubrication (Part 2)	03/07/2024	10:00 – 12:30

SDT Ultrasound Certification exceeds the very basic standards established by ISO 18436-8 including 32 hours of instructor led class time and 16 hours of optional discussion for a total of 48 hours. The virtual classroom opens for discussion at 10:00AM and instruction begins promptly at 10:30AM. All times are Eastern Standard Time (New York/Toronto). All sessions are recorded for on-demand play back by registered students.
